Expertise

Corporate and Contracts

Jean-Paul Vulliétty has an extensive experience advising clients in international commercial transactions, subject to Swiss law, foreign laws or international conventions (e.g. the Vienna Convention on Sale of Goods), particularly sales, mandate and service agreements, agency, distribution, license, franchising, shareholder and joint venture agreements. He has frequently acted as lead counsel in complex acquisition operations.

Litigation and Arbitration

Jean-Paul Vulliétty has also been involved in more than 80 international and domestic commercial arbitration proceedings, as counsel or arbitrator (sole arbitrator, co-arbitrator, or chairman), under all the main rules of international arbitration.

His expertise in corporate and commercial law matters and dispute resolution encompasses a wide range of sectors, including life sciences and biotechnology, pharmaceutical, luxury goods, transport (aviation and rail), energy (particularly oil & gas), commodities, construction and infrastructure projects and real estate transactions.

Over the years, Jean-Paul Vulliétty has held several academic positions, namely at the University of
